## Would you like to enjoy noble scents in all facets, pure and natural?

The AromaStreamer® 850 is a small, solid and reliable room fragrance device which works with the principle of nebulization.

A smooth and micro fine nebulization of exclusive perfume compositions guarantees a quick aromatization of areas up to 600 m<sup>2</sup>. The integrated multi-function timer can be programmed easily and quickly to the operating hours of your choice.

Furthermore you can set different fragrance intensities per day to guarantee a unique scent intensity appropriate to your demands. The included odor absorber in our fragrance compositions removes and neutralizes unpleasant odors quickly and effectively.
