## Would you like to enjoy noble scents in all facets, pure and natural?

The REIMA® Aerosol Dispenser is a battery-powered, fully automatic working and all-embracing usable scent-dispenser fulfill highest demands of exclusive room fragrancing. The idea is based on the creation of an agree-able room-climate with micro-fine sprayed scent-compositions.

There are many pleasant scents in the form of aerosols. The refilling of aerosol after two to three month is simple: open the dispenser, take out the empty aerosol, and reset the refill spray timer by pressing the CHECK-button, finally insert the refill and close the dispenser. Now the REIMA® Aerosol Dispenser is ready for about 3000 spray intervals. The dispenser works reliable, is maintenance-free and long-life. The battery usage enables universal using without socket possible.

## Setting-example:

A spray interval every 15 minutes  
from 10.00 to 18.00 = about 94 days pleasant scent.
