

AromaStreamer® 550

reimaron® AromaStreamer® 550:

- minutes accurate real-time control
- seconds accurate control of the fragrance intensity
- easy adjustment of fragrance intensity
- content of scent: 150 ml

Would you like to enjoy noble scents in all facets, pure and natural?

The AromaStreamer® 550 is a small, solid and reliable room fragrance device which works with the principle of nebulization.

A smooth and micro fine nebulization of exclusive perfume compositions guarantees a quick aromatization of areas up to 40 m². The integrated multi-function timer can be programmed easily and quickly to the operating hours of your choice.

Furthermore you can set different fragrance intensities per day to guarantee a unique scent intensity appropriate to your demands. The included odor absorber in our fragrance compositions removes and neutralizes unpleasant odors quickly and effectively. Our specially created reimaron® fragrances will delight your customers and guests!
